

HAWK-1 45IRCB

Vandalproof and Weatherproof, this Color Bullet Camera, works in no light up to 30 feet away with Infrared Led's. Accidental surge and shock protection. Cable through the Bracket Mounting

Key Features

- 1/3" Sony Superhad 420 Line High Sensitive Chip
- Infrared Visibility Range @ Night: 30 Feet
- Dynamic IR LED's Turn On / Off automatically
- Color in Day time and B/W at Night time
- Digitalized & IR coated CDS Sensor Built-in
- Vandalproof, Rustproof, Weatherproof (IP=67)
- Auto Electronic Shutter

HAWK-145IRCB

Specifications

Image Sensor	1/3" Sony Superhad chip
H. Resolution/Scanning System	NTSC-420TVL (2:1 Interlaced)
Min. Illumination	0.5Lux/F1.6 (IR LED Off)
Scanning Frequency	Horizontal:15,734Hz (NTSC)
Video output Level	1.0Vp-p (75ohms, Composite)
S/N Ratio	More than 48dB (AGC Off)
Gamma	r = 0.45
White Balance	2,100°K - 9100°K - Auto
Gain Control	4dB - 32dB - Auto
IR LED Capability	100mA Visible 10mm Diameter (850nm) x 12ea. Each Channel has 100mA Max.
Visibility Range	Approx. 30 Feet
CDS Sensor	IR CUT Coated CDS Sensor control IR LED On/Off Dynamic IR LED Turn On & Off Automatically
Color/BW Control	Color at Day time & B/W at Night changed automatically
Operating Temperature(Humidity)	- 4° - + 122 °F (10% - 95% RH)
Lens	f = 3.6mm IR Lens
Power Source	DC12V 260mA Regulated
Dimensions (WxHxD)	2" x 2" x 2.7" (w/Sunshield)
Net Weight	7.5 ounces (w/Sunshield)
